

MEDICAL HAIKU

There is no subject whatever that is not fit for haiku.
-- Basho

Turn your head and cough when you say that.
-- Halstead

Medical jargon like you've never heard it before. From whimsical to poignant to flat out hilarious, there's something here from every specialty, every patient, every setting:

Art of Medicine:
amusing the patient while
nature takes its course

Alzheimer's disease
mind dies before the body
What were you saying?

Amoxicillin
cheap, effective and tasty
bubblegum flavor

Ophthalmologist
eye physician and surgeon
no one spells it right

And many more!
